

Dear Friend and Supporter

Thank you for supporting the New Zealand Centre for Political Research - our purpose is to educate and inform the public about the benefits of freedom, liberty and limited government through research, publications and open public debate.

Since the NZCPR is funded by readers only, your donation at whatever level you can afford (by lump sum or regular automatic payments) - is greatly appreciated. It is only through the kind generosity of readers who value a free and open society and want to assist in changing the future direction of New Zealand that the NZCPR can operate.

I warmly welcome your support as it is only through your kind generosity that we are able to continue our advocacy of policies that promote freedom and prosperity.

Kindest regards,

All donors are entitled to a wide range of subscription benefits with four levels of support:
