

# NEW ZEALAND CENTRE FOR POLITICAL RESEARCH

Dear Supporter,

Thank you so much for supporting the New Zealand Centre for Political Research’s fundraising appeal for the fishing and recreation groups that are opposing *all* Marine and Coastal Area claims lodged in the High Court.

Your contribution will help fund the tens of thousands of dollars in fees and costs that these groups are incurring in the public interest, as they oppose over 100 High Court applications by Maori groups seeking ownership and control of the coast.

Through your generosity, you will be helping those who will be standing up for you – and all New Zealanders - in Court.

Kindest regards,

Dr Muriel Newman  
New Zealand Centre for Political Research
