

# NEW ZEALAND CENTRE FOR POLITICAL RESEARCH

Dear Supporter,

Thank you so much for supporting the New Zealand Centre for Political Research’s public information campaign to return New Zealand’s coastline to public ownership.

Your contribution will enable us to fund flyers to be delivered into coastal communities throughout the country to inform the public that their beach is under claim and that we need their help to prevent the whole coastline from falling into tribal hands.

Please complete the form below and mail to NZCPR, PO Box 984, Whangarei.

Thank you once again for your kind support and wonderful generosity.

Warmest regards,

Dr Muriel Newman
